NEWSLETTER – ACCESS CONTROL

Dear Owners and Residents

13 AUGUST 2018

We would like to bring to your attention, that the trustees have undertaken to have a cell to gate system installed at Sierra Views. This is going to free up the security having to stand at the gate of the property. From now on, when you have a guest or visitor arrive at the premises, they can notify you, and you will be able to open the gates for them by means of using your cell phone.

There will be a device on the main gate as well as the pedestrian gate. Each will have their own number to dial.

Attached to this letter is a tenant registration form. We have decided to use this opportunity to refresh our database and ensure that we have all info on file. Please make sure that you complete the attached form asap and send this back to us. We will need to ensure that we have updated contact details to load you to the new cell to gate systems. PLEASE ENSURE THAT THESE FORMS ARE RETURNED TO US VIA EMAIL TO accesscontrol@propertyprincipals.co.za BY NO LATER THAN CLOSE OF BUSINESS 16 AUGUST 2018.

PLEASE NOTE – THIS SYSTEM DOES NOT REPLACE THE BARCODES. ALL VEHICLES WILL STILL CONTINUE TO MAKE USE OF THE BARCODES.

Many thanks and kind regards

Pam Daneels
