

# SIERRA VIEWS AIR CONDITIONING REQUEST

## Process for obtaining committee approval.

- Prior to lodging your application, we recommend that you review the body corporate by-laws so that you can address any conditions included in the by-laws.
- Your request will be submitted to the body corporate committee for consideration.
- Any unit(s) must be erected in alleys and all exterior pipes/wires to be concealed with PVC trunking and fixed to wall(s). PVC trunking must also be painted the same colour as the exterior of the building (request paint specs from Managing Agent).
- Any damage because of the installation to exterior wall / common property shall be the sole responsibility of the applicant to repair and/or restore to its original condition.
- The committee may provide approval subject to conditions.

## Property details
